Statement of Commitment with FMSB Standards – Rio Tinto

Rio Tinto acknowledges that the Standards published by the FICC Markets Standards Board (“FMSB”) represent generally recognised good practice in the wholesale Fixed Income, Commodity and Currency (“FICC”) markets.

Rio Tinto confirms that it is committed to conduct its FICC market activities (its “Activities”) in a manner consistent with the Core Principles contained in FMSB Standards, and to have internal policies, procedures and controls reasonably designed to give effect to those Core Principles where they are applicable to its Activities, in a manner that is commensurate with the nature of its Activities in the relevant entity or jurisdiction.

This statement of commitment applies to all Standards published by FMSB in final form prior to 31 December 2016.

Any enquiries that the FMSB has should be addressed to either Paul Hedley, Treasurer or Jonathan Slade, Head of Corporate Finance.
