BELL BAY ALUMINIUM

ABOUT BELL BAY ALUMINIUM:

Bell Bay Aluminium is part of the Rio Tinto Group, a global leader in aluminium. The Bell Bay Aluminium smelter is situated on the Tamar River in Tasmania's north approximately 5km from George Town and 50km from Launceston. The smelter produces around 190,000 of aluminium each year and operates 24 hours, 365 days per year.

Bell Bay Aluminium has a major influence on the economic wellbeing of Northern Tasmania, creating wealth for community through employment, export earnings, payment of government taxes and charges, direct investment through community programs and strategic community partnerships and the purchase of goods and services from Tasmanian businesses and suppliers.

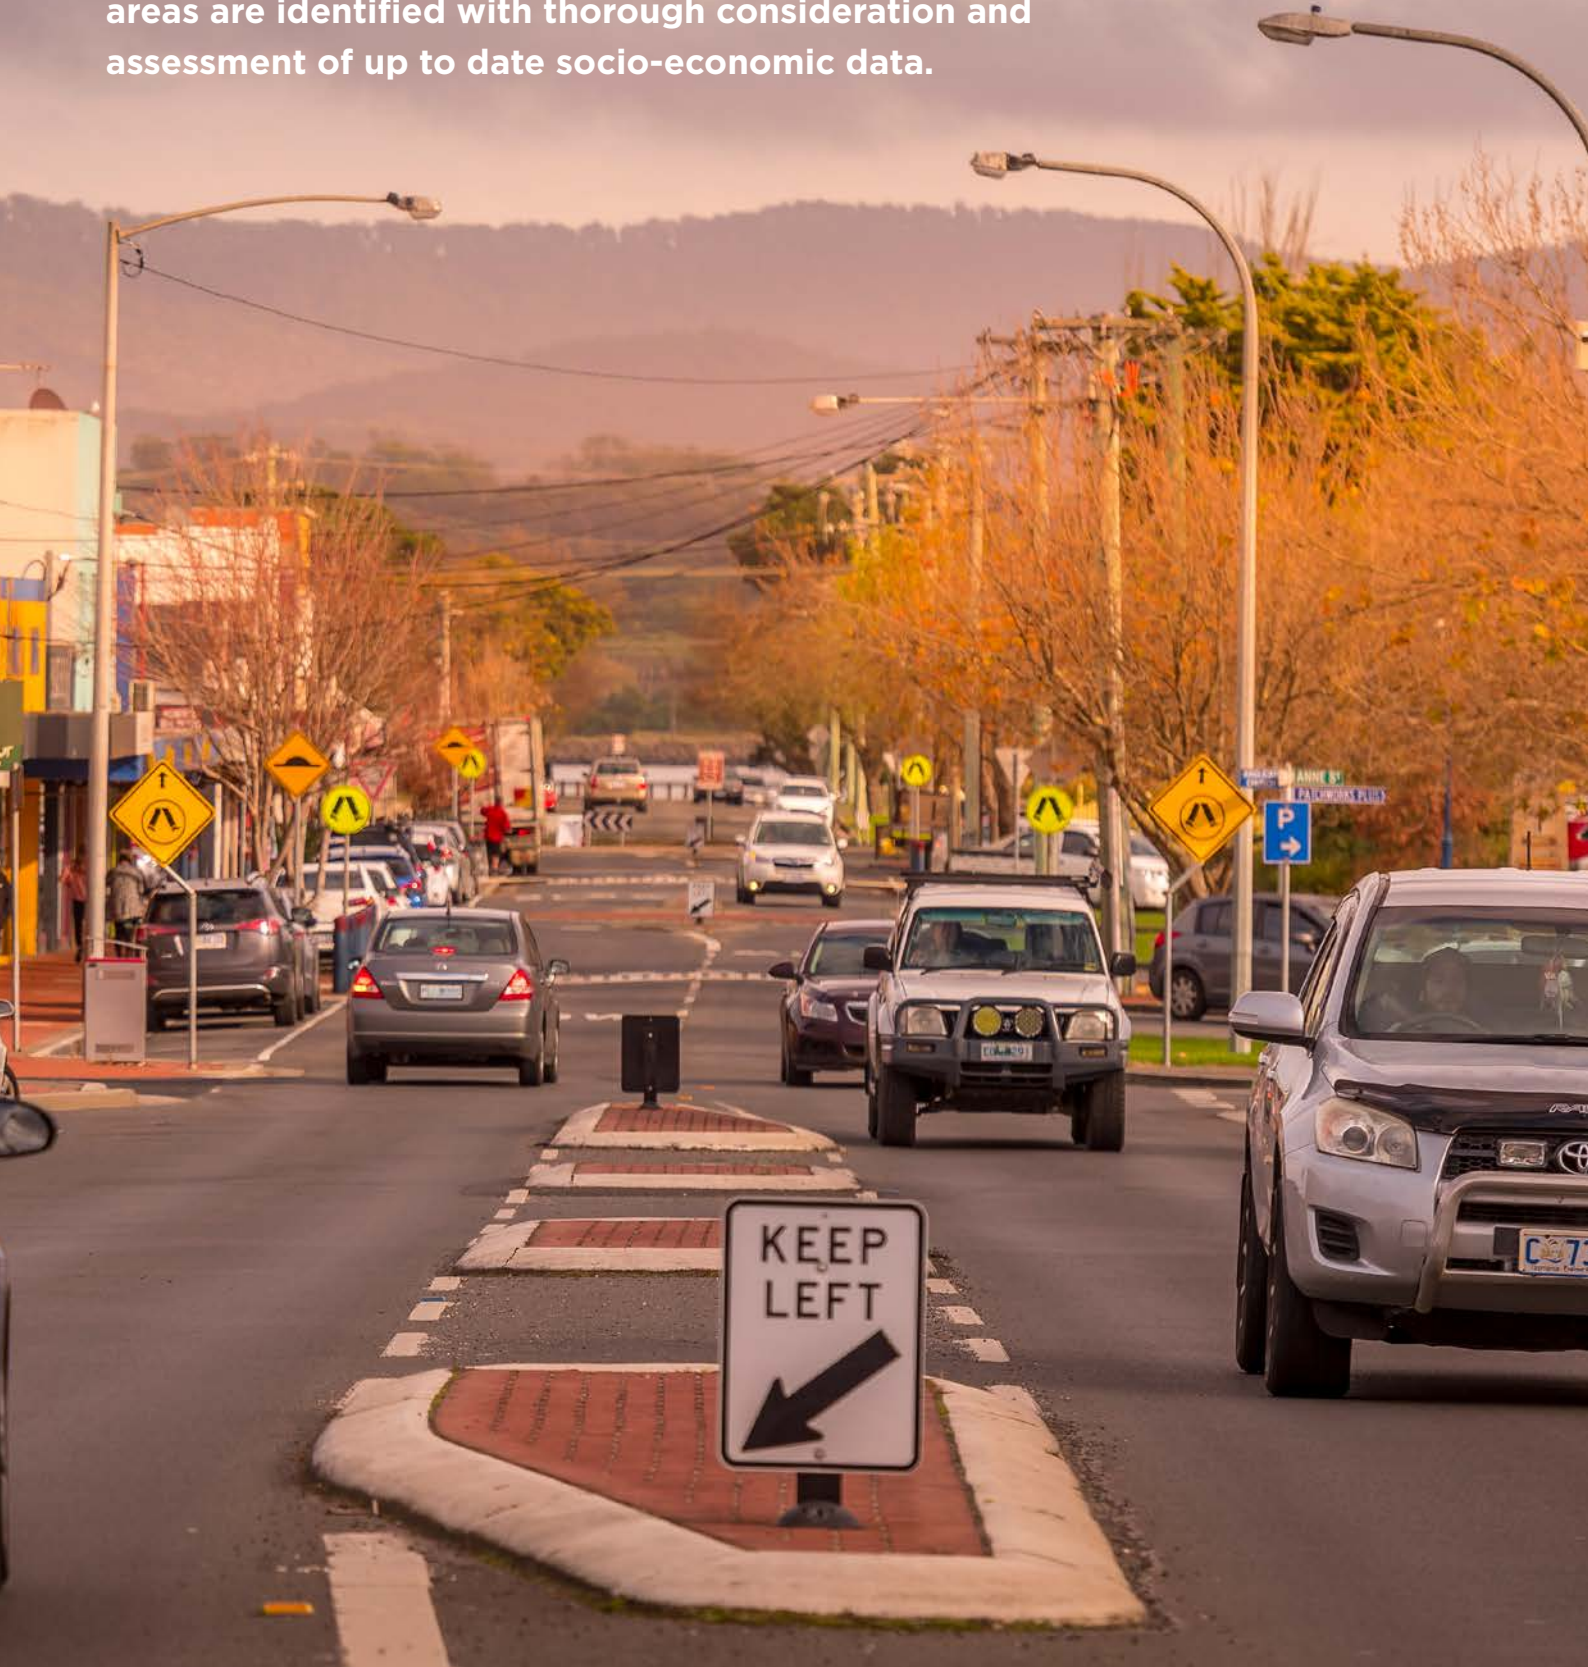

ABOUT THE PROGRAM:

Our annual Community Grants program aims to provide financial support by directing community grant funds to organisations, groups and initiatives that impact the Tasmanian community in key social, environmental and economic focus areas. Identification of key focus areas ensures that funds have an impact where needed most.

Grants are available up to a maximum value of \$3,000 each.

Bell Bay Aluminium's community grant support is directed towards investing for impact in key focus areas in the local and broader Tasmanian community. Key focus areas are identified with thorough consideration and assessment of up to date socio-economic data.

ABOUT FUNDING FOCUS AREAS:

Our annual Community Grants Program focuses investment across several key focus areas informed by socioeconomic data and community plans aligned to Bell Bay Aluminium's values and objectives.

Organisations, groups and initiatives applying for funding from the Program will operate with a focus on having a positive impact in the community under one or more of the key focus areas.

HOW ARE APPLICATIONS ASSESSED?

Satisfaction of the eligibility criteria and compliance with the application process does not guarantee the provision of a grant to any applicant. The assessment panel reserves the right in its absolute discretion to choose the successful applicants. The panel's decision is final and no correspondence will be entered into.

All applications in relation to the final decision, will be reviewed and assessed by a panel of Bell Bay Aluminium employees against set criteria.

WHAT HAPPENS IF AN APPLICATION IS SUCCESSFUL?

Successful applicants must sign a Funding Agreement supplied by BBA and provide BBA with a tax invoice for payment of the funds.

BBA may choose to award grants to successful applicants either in full, or in part.

The grant must be used within 12 months from payment and for the purpose for which it has been provided.

If an organisation is unable to fulfil this requirement the funds must be returned to BBA.

A final acquittal report and photographs of the successful completion of the project must be provided to BBA within 12 months of the receipt of the grant. Photographs are to be made available for use by BBA. An acquittal form will be provided to successful applicants.

WHAT HAPPENS IF AN APPLICATION IS NOT SUCCESSFUL?

Applicants who are not successful will be notified via email within two weeks of the assessment by the judging panel.
