FMSB Statement of Commitment - Rio Tinto

Rio Tinto (the "Institution") acknowledges that the Standards published by the FICC Markets Standards Board ("FMSB") represent generally recognised good practice in the wholesale Fixed Income, Currencies and Commodities ("FICC") markets. The Institution confirms that it is committed to conduct its FICC market activities (its "Activities") in a manner consistent with the Core Principles contained in FMSB Standards, and to have internal policies, procedures and controls reasonably designed to give effect to those Core Principles where they are applicable to its Activities, in a manner that is commensurate with the nature of its Activities in the relevant entity or jurisdiction.

This Statement of Commitment applies to all Standards published by FMSB in final form between 1 January 2018 and 31 December 2018 and reaffirms any previous Statements of Commitment made by the Institution.
